The purpose of the ELI’s training programs is to equip God’s people – disciples and ministers of the Word – for service in the church and in the world. Our teaching seeks to be deeply biblical, Christ-centred and practical. Courses are prepared for those who have a deep hunger for God’s Word, who wants to grow in the grace and the knowledge of the Lord Jesus Christ and who wants to serve as pastors, teachers, missionaries, evangelists and witnesses of the Lord in the church and in the world.
